

Less Stress. More Life.

LET US TELL YOU WHY...

With less than three months to our first home deliveries, OPUS has been diligently setting up services, management companies, utilities and more. During this process, it became obvious that there could be confusion between our neighbor Park East Tower and Park East Lofts. When considering possible mix-ups, from mail to special deliveries to your visiting guests, we decided a name change would prevent any issues.....

AND with an address of 9 North Euclid in the Central West End

..... Nine North exudes modern, sleek and chic and we believe the new name better reflects its true character!

UPDATE: Construction is progressing well, and we are on schedule! If you've recently been by the project site, you probably noticed that the building is fully enclosed. You can see the striking floor-to-ceiling windows are in place and the building is beautiful!

WHAT'S NEXT: Shortly, you will notice new signage surrounding the building! Stay tuned for more information on up and coming events.

In the meantime, please don't hesitate to contact us with any questions or comments.
